- Red = Beach site
- Purple = View site
- Brown = Fortified site for campers
- Pink = Small site for small unit
- Y = Boat Site
- Triangle = Tent site

### Safety and fire

Your safety is important to us, so we have placed fire extinguishers and water posts all over the campsite (see sitemap red dots). According to fire regulations, you must park your caravan, tent etc. no closer than 3 m from neighbor's unit. Electric cars may only be charged at a charging station See [www.hedebocamping.dk/en/about-hedebo/fire-and-safety/](http://www.hedebocamping.dk/en/about-hedebo/fire-and-safety/)

### Take care

Smoking in public indoor areas is not allowed. Please remember to use ashtrays and waste bins outside. Your dog is welcome, but do not leave it alone to bark and disturb your neighbors. Take care of the children, drive carefully and max 15 km/h.

### Close to town and yet in nature

Here you can fish, swim, cycle or go for a walk along the Kattegat to cozy Sæby harbour or the Understed Hills. Our water park has a 12 m high Surf Hill and two heated pools for young and old. Remember to bring your check-in receipt, as it is your proof that you are a guest here and may use the pool.

### Outdoor life in focus

Be challenged on the beautiful 12-holes adventure golf course or play football on our nature ground. Here you can also walk your dog while looking for deer and hares. We have the Forrest House and 3 wonderful playgrounds with i.a. bouncy pillows and the iconic Hedebo Tower for the children and The View with TV for a rainy day.

### Café and grocery store close to you

With Hedebo Strand Super on the site, you don't need to shop elsewhere. Sabrina and Daniel sell e.g., breakfast and coffee to go, ice cream, sweets and has a large selection of colonial and fresh products. At Lisser in Hedebo Strand Café, you can order e.g., fish and the dish of the day on +4551680059.

### Let us know if you need help

We clean the 4 service buildings twice a day, and you rent our cabins incl. electricity and final cleaning. Tell us at reception or on +4598461449 if everything is not as it should be. You can also get help from e.g., Edward moving your mobile home. Or from René, if problems with the power or the TV signal.

### Do you want to be a longstay camper?

Our campsite is very popular among longstay campers, and we are happy about that. If you would also like to have a season site here, you should contact Eric in good time at [info@hedebocamping.dk](mailto:info@hedebocamping.dk). See prices and pitches at [www.hedebocamping.dk](http://www.hedebocamping.dk)

### Something extra for you

Check out from your site no later than noon and from a cabin no later than 11 o'clock. If the unit has not been re-rented, you are welcome to stay a little longer. You can rent bed linen, borrow a highchair or lawnmower. If you want a little extra indulgence, you may order a family, cozy or luxury package. See [www.hedebocamping.dk/en/café-and-market/indulgence/](http://www.hedebocamping.dk/en/café-and-market/indulgence/)
