

Hedebo Strand Camping

50 years on the waterfront at Sæby Northern Jutland

When you book one of our luxury or standard cottages 2025

The cabin is ready at 3 pm and must be vacated by 11 am (earlier check-in and later check-out is often in low season possible and is free - ask in the reception). If arrival after opening hours of reception please contact us, so we can make arrangements regarding the key. Maybe you want to pick it up at Hedebo Strand Super, which is open until 7 PM every day.

When you book a cabin You prepay 50 % of your stay on the day of booking, the balance is paid no later than on arrival.

If you cancel, move or shorten the booking of the cabin Min. 30 days before arrival = You pay DKK 1,000 in administration fee or the price of the stay, and we refund any excess amount. After 30 days before arrival = the prepaid amount will not be refunded.

Cleaning and service cottages You rent the cabin with mandatory final cleaning (DKK 400/500), and you must clean up yourself (see list in the cabin). If the cabin is very dirty or the rented property is damaged, we will charge you extra after check-out. Bring your own tea towel, dish cloth, cleaning material etc. (or buy it at Hedebo Strand Super). Bed linen (incl. towel) can be rented for DKK 100 per set. Contact us immediately after moving in, if there are any defects, so they can be fixed.

Dog in cottage You are very welcome to bring one dog - it costs DKK 50 per day. Dog hair must not be left in the cabin, just as the dog must not be on the furniture. If this happens anyway, we will charge you for the cleaning afterwards. Remember to pick up dog poo and don't leave the dog alone, as a barking dog is a big nuisance to the neighbors.

Rules of camping and order

Cleaning campsite Our service buildings are cleaned at least twice a day during high season. Please tell us at once in reception about errors and problems. Pay attention to the staff and do not use toilet and kitchens when they are doing their job. Smoking in service buildings is prohibited.

Trash Please notice, that waste must be sorted according to sorting rules and as marked on containers. Clean your fish on the fishing grounds at the reception building, and pack fish waste in airtight bags.

Quietness and cars Loud music must not be played during the day, just as there must be quietness on campsite from 23 to 8 o'clock. Play ball on the ball fields or on the beach, where e.g., water pistols also belong. Take care of the children, drive a maximum of 15 km/h, and avoid unnecessary driving at campsite.

Safety and night watch Note fire rules on <https://www.hedebocamping.dk/en/> - see fire stands (red dots) on our sitemap. You will find defibrillators at the reception and at main entrance. If you need help outside opening hours, please call our night watch on +4526712584.

Electric cars and boats It is only permitted to charge electric cars at our charging station at the reception (fine DKK 500). Boat site can be rented for DKK 100 per day, if you place your boat outside a boat site, it will be removed immediately.
